Saturday 28<sup>th</sup> June

## Event overview

*Sunday 22<sup>nd</sup> June - Saturday 28<sup>th</sup> June*

We are delighted to welcome you to our *2025 Spanish Salsa* itinerary, our flagship event driving many of the best roads in *Europe*. We have curated some awesome roads, and have singled out some truly fabulous hotels to visit along the way.

We start at the iconic *5\* Finca Cortesin*, which made it onto *Conde Naste Traveller's 2024 Gold List*. Mid-week we spend two nights at the Leading Hotels of the World's *5\* Asia Gardens Hotel & Thai Spa*, before a first visit for us to the fabulous *5\* Gran Hotel Mas D'en Bruno*. According to 'The World's Best Awards 2024' by Travel & Leisure magazine, this resort is "the best hotel in Europe and the sixth in the world". We then finish at another Leading Hotel of the World, the *5\* W Barcelona*, where we will celebrate at *COYA Barcelona*, a fabulous end to an awesome week of driving.

The week incorporates some truly inspiring driving, away from the coastline in the mountains, with a bespoke group of drivers. Events are limited to a maximum of x12 cars, and are designed to deliver the ultimate driving experience.

We will be accompanied by our team who will support you throughout the week.

We look forward to welcoming you on to our *2025 Spanish Salsa*.

*Sunday 22<sup>nd</sup> June*

*5\* Finca Cortesin, Casares, Marbella*

On Sunday drivers will arrive in to the fabulous 5\* *Finca Cortesin*, one of Europe's most exclusive 5\* hotels. With a world-class spa, and located in a serene private estate, this is the perfect location in which to start our week. All our drivers will be allocated Junior Suites for our visit and have full access to the hotel's spa and outside pools.

Whilst the cars are prepared for the week ahead, you will have plenty of time to relax and enjoy the afternoon before we host our *Drivers Brief*. Dinner will be at *Don Giovanni*, where we will experience a relaxed evening in the hotel's flagship Italian restaurant.

*Monday 23<sup>rd</sup> June*

*5\* Hotel Palacio de Úbeda, Úbeda*

We are perfectly located to start our driving directly onto deserted roads up towards *Ronda*, and subsequently into the *Parque Nacional Sierra de las Nieves*. Spectacular views, and smooth tarmac will greet us as we head into some of Spain's most scenic mountains. We are straight onto some of the best roads in Spain as we carve our way east and north towards the town of *Úbeda*.

Our hotel for the evening is the impressive *5\* Palacio de Úbeda*, with majestic grand rooms. The hotel used to be the ancient Palace of the Counts of Guadiana and has a stunning "water-circuit" which is worth a visit before dinner. Drivers will be staying in unique bedrooms throughout the palace, and dinner will be a relaxed affair in *Ábside*.

*Tuesday 24<sup>th</sup> June*

*5\* Asia Gardens Hotel & Thai Spa, Finestrat*

We continue our journey east, firstly through the *Parque Natural de las Sierras de Cazorla* with its forested routes. These are some of the most exciting and challenging roads in *Spain*, and demand concentration as we cross high up into the mountains and then wind our way south onto the plains. We cross directly east and into the *Sierra del Maigmo* in the *Arguenya mountains*, with its well-stocked pine forests and kermes oaks.

We end our day driving the roads where *Lamborghini* often launch their cars and arrive into one of Europe's finest hotels, the *5\* Asia Gardens Hotel & Thai Spa*, our home for two nights. This is the perfect mid-week base with a fabulous spa, and some simply stunning roads in every direction. Dinner will be in *Koh Samui*, which specialises in "the choicest oriental crossover cuisine".

*Wednesday 25<sup>th</sup> September*

*5\* Asia Gardens Hotel & Thai Spa, Finestrat*

We will be staying for two nights at the *Asia Gardens Hotel*, so drivers are free to spend the day in the hotel should they wish, but we would as always recommend they come driving ;) We will be driving a loop in the surrounding countryside as we head out towards the *Mariola Mountains*, with its micro-smooth tarmac. We will spend the day criss-crossing several passes that wind their way up through the countryside. Several manufacturers test and launch their cars in this area, and we will experience exactly why.

At the end of the day we head back to the hotel and will host dinner in the hotel's flagship gourmet restaurant, *In Black*. A fine-dining restaurant serving international cuisine for guests to delight in the aromas and flavours of a superbly crafted menu, this is sure to be a relaxed and enjoyable evening with exquisite Asian cuisine.

*Thursday 26<sup>th</sup> June*

*La Trufa Negra, Trufa*

We head north on what are undoubtedly some of the most scenic driving routes anywhere in Europe. The roads are sensational and we pass through forests, along valleys, and across dams during the day. The scenery changes dramatically throughout the day as we wind our way through the *Valencian* countryside and the *Serra Calderona Nature Park*.

At the end of the day we stop at the *La Trufa Negra* which is ideally located along our route. Situated in a quiet town, the hotel prides itself on its truffle menu, and has great spa facilities, providing a great base to relax.

*Friday 27<sup>th</sup> June*

*5\* Gran Hotel Mas D'en Bruno, Torroja del Priorat*

Friday is another breathe-taking day as we continue our drive north into the *Serra de Montsant Nature Park*. There are sections which resemble The Alps as we wind our way through forests and up over mountain crests. We stop for a quick tapas lunch on top of a mountain, and are then back down the far side back into the countryside.

Miles after mile of pristine tarmac awaits with almost no traffic throughout the day.

We are excited to be visiting the *5\* Gran Hotel Mas D'en Bruno* for the first time, one of the most celebrated hotels in Europe and even the world, according to the 2024 "Travel & Leisure World's Best List". Situated amongst vineyards, and with exquisite suites and a first-class spa, the hotel looks the perfect setting to unwind in after a truly awesome day.

*Saturday 28<sup>th</sup> June*

*5\* W Barcelona, Barcelona*

Our final day of driving starts with some technical routes that take us through the heavily forested *Prades* mountain range. The roads are quiet and twisty as they weave through the valleys. We spend the morning navigating the mountains before we start to head east towards the *Mediterranean* and our final destination, *Barcelona*.

Our final hotel is the iconic *W Barcelona*, which sits proudly on the coast. This is one of *the* locations to be in in the city, and for dinner we will be celebrating in *COYA Barcelona*. After some celebratory drinks at the *Pisco Bar*, we will enjoy a Peruvian feast long into the evening in order to celebrate what will have been a superb week of driving.
